PATCH RUBBER
TYRE AND TUBE
EVERYTHING FOR THE TYRE DEALER

100%
MADE IN ITALY

With the automobile boom in the 1960's the Corghi brothers invent and patent the world's first tyre changer.

With continuous research, development and diversification Corghi is still the absolute global leader in the tyre service equipment sector.

Corghi has retained an international unparalleled reputation for quality and performance for more than 60 years, and this reputation remains just as strong today, with the Corghi group being the world's largest producer of wheel servicing equipment.
